

**Hyline501**

Linear Accent Floodlight

Making the ordinary evening extraordinary.  
Turning icons iconic.

VyStar Credit Union  
Products: 8200 Monochromatic Blue, Hyline501 Monochromatic Blue

## High Visual Impact

The chic Hyline501 linear accent floodlight offers superior optical performance, efficacy, and design flexibility in the smallest of profiles. The surface mount luminaire provides a range of optics and color temperatures from 2700K to 5000K to graze and wash architectural applications for an evolutionary experience.

---

# Performance

## Small form factor

Small form factor combined with a high lumen output of up to 799 lm/ft for accent and ambient lighting.

## Outstanding color performance

Quad Technology combined with tighter LED packaging provides optimal color mixing under the optic and allows for better beam control.

## All weather, wireless controllable

IP66 rated per IEC60598. Wireless DMX as well as with RDM controller.

## High performance optics

The range of optics includes nine different diffusers from 9°, 10°, 15°, 30°, 40°, 60° and Wall Wash (Asymmetric) for application flexibility.

## Numerous accessories options

Three linear plans are available for 2ft, 3ft, or 4ft lengths, and a wide selection of mounting accessories for surface and ground-mounted lighting. Custom and RAL finishes also available. Hyline501 QT offers 2ft and 4ft lengths only.

Hyline501 Static White, Continuous Run, 4000K, 300 Lumens per Foot

Hyline501 Monochromatic Blue, 3500K, Wall Wash, 300 Lumens Per Foot  
Hyline501 Static White, Direct View Lens, 3500K 300 Lumens Per Foot

# Color with Purpose

Shape your world with new possibilities, color with purpose and let your lighting design come to life. Hyline501 RGBW QT offers high-performance color mixing utilizing high-output quad tech.

---

Hyline501 RGBW QT, 3500K, 300 Lumens Per Foot

# Precision Optics

Quad tech enables optimal color mixing under each optic—avoiding striations and color separation when wall grazing and washing—simply color precision. No color separation. No loss of lumen output.

---

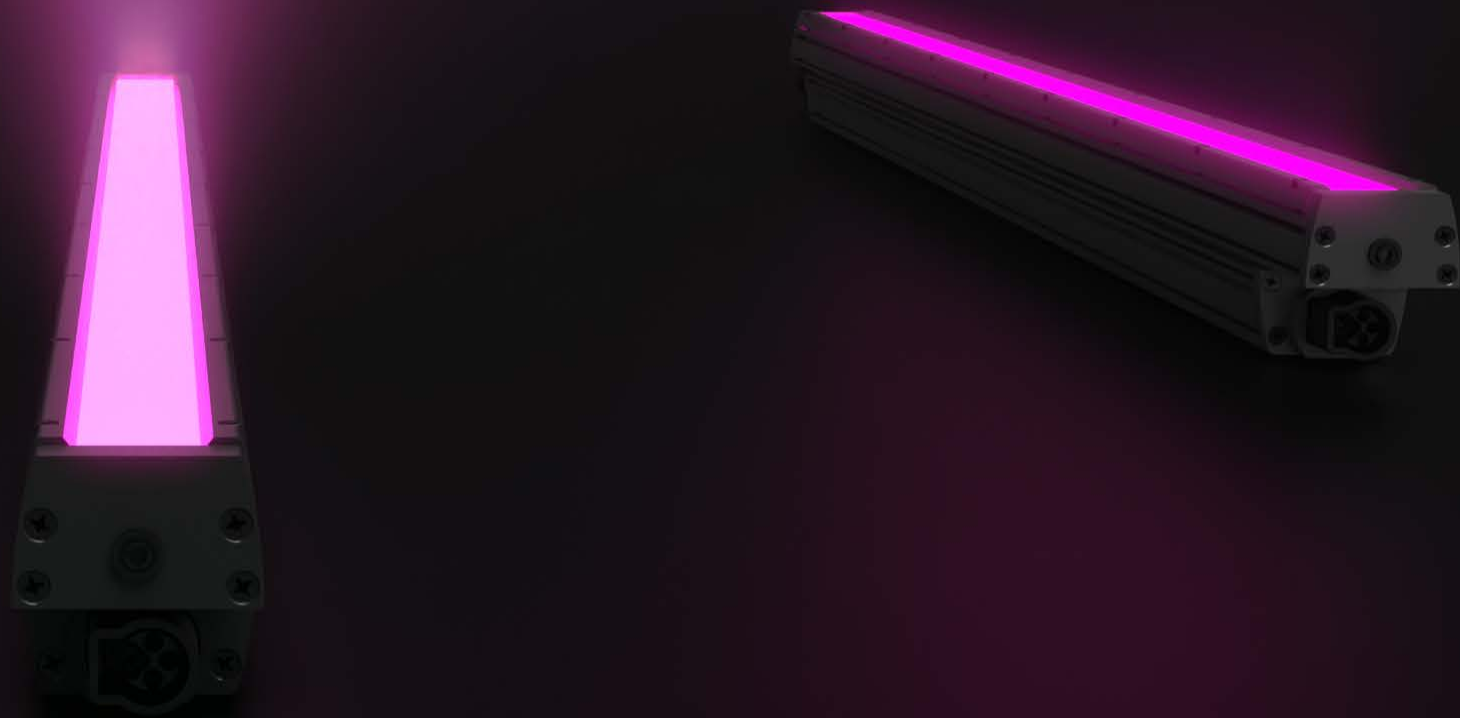

# Controls and Network Connectivity

There's no need to choose a fixture over your desired lighting design. Find the right architectural outdoor fixture, controls, and network connectivity with Hydrel. Take control of your lighting project, from indoor to outdoor connectivity, seamlessly with Hydrel lighting solutions.

---

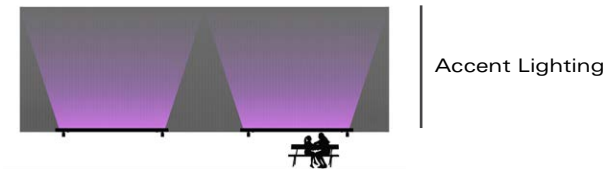

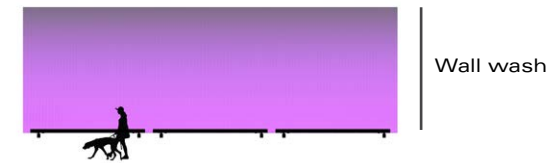

Explore. Create. Illuminate.

## Options

### Lighting Applications

### Controls

DMX | 0-10V | DALI

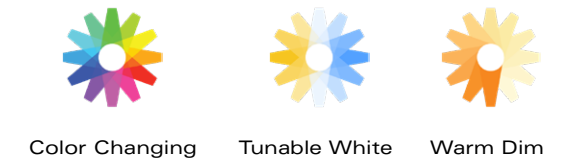

### Color Temperatures

### Static Colors

### Dynamic Features

### Mounting Accessories

Please refer to specific spec sheets as options vary according to model.
