Aluminum fixture surfaces undergo a six-step pretreatment process before being painted with a long-lasting TGIC polyester powder coat.

Custom finishes are available. Textures of custom finishes are dependent on the finish material specified. Please consult factory.

Note: These colors were scanned from color chip samples. Some colors, however, may vary slightly from actual appearance due to printing variations and limitations. Please contact factory for color chip samples.

RAL Paint Finishes also available. See the [RALBROCHURE](#) for options. It is recommended that Hydrel products only use textured paint.

Brass finish is available with Aspen, Cedar, Palm, Jenson, HSL11, HSL13.

Stainless Steel finish is available with Aspen, HSL11, HSL13. See spec sheet for options.
