Specifications

L:	8" 203 mm
W:	5 - 1/4" 133 mm
H:	5 - 1/4" 133 mm

DESCRIPTION

The 4630 yoke mount accent light is uniquely designed with rugged sealed die-cast aluminum construction and an adjustable yoke mount. This fixture meets many demanding requirements for landscape and architectural applications and accepts PAR-30 lamps for ranges to forty feet. A wide range of photometric performances are available with internal and/or external glare control.
